RE: National Gypsum Company, Millington, New Jersey

Dear Mr. Jurewicz:

This Administration hereby approves plans dated May 30, 1978 prepared by Gold Bond Building Products, as amended by the stream encroachment permit 8419, issued to Gold Bond Buildings, concerning the stabilization of the disposal area located on the National Gypsum Property, Millington, New Jersey. The necessary work as detailed on the aforementioned plan shall commence as soon as possible and shall be completed by December 31, 1978.

Any site improvements determined by the field engineer supervising this project and not detailed in aforementioned plans shall be coordinated through this office.

Contact Frank Coolick, of my staff, at (609) 292-0242 for said coordination or if you have any further questions regarding this matter.

Very truly yours,

Beatrice S. Tylutki
